Call for Speakers, Moderators, Committee Volunteers

Get involved in spreading the word -- we are seeking speakers, activities, and other assistance to reach our goals for the "Water, Black Canyon City & Me" program. Our goals are to appreciate water and society's dependence on it and show ways to act as water stewards. These activities/experiences will complement the Smithsonian Institution AZ *Water/Ways* exhibit and the local Black Canyon City exhibit from December 14, 2019 through January 26, 2020.
