Gary Bennett, an Arizonan artist whose work is known nationwide, lives right here in Black Canyon City. On Thursday, June 27 through Sunday, June 30, Gary's studio, located near the Agua Fria River, will be open to the public from 10 AM to 4 PM. On Saturday, June 29, from 2 PM – 4 PM, join Gary for an intimate conversation about what inspires him and an in depth

discussion about his water-related body of work. You may be familiar with the painting of the Agua Fria National Monument which was commissioned for the Monument's 10th Anniversary poster. Space is limited for Gary's talk on June 29 and reservations required.
