Water, Black Canyon City & Me
"Arizona Well Owner Workshop"
Tuesday, August 27, 2019 - 5 PM to 8 PM
Held at Cañon Elementary School
34630 S School Loop Rd, Black Canyon City

Wells are a Deep Subject in Arizona – Learn about Your Well

As a well owner or user, it is important that you know about the care and other issues pertaining to wells. Come learn about water sources, well regulations, domestic well maintenance and water treatments topics from the Arizona experts familiar with Black Canyon City, New River, and Desert Hills.

Attendees will receive a free copy of **"Arizona Well Owner's Guide to Water Supply"** and a thumb drive containing an electronic version of the guide, the **"Arizona Know your Water"** booklets, the **Well Owner's Video Series** and many other water-related Extension publications.

Speakers:

- Janick Artiola, Ph.D., University of Arizona Cooperative Extension, Water Quality Specialist
- Gary Hix, RG, Consultant, In2Wells, LLC. and Past President of the Arizona Water Well Association
- Mary Barnes, Program Coordinator, University of Arizona Cooperative Extension, Agriculture and Natural Resource and Master Gardener

This presentation always fills quickly. Please reserve your space at http://bit.ly/Well_Workshop.

The August 27th *Water, Black Canyon City & Me* event is the fifth of eight presentations in year-long local activities that complements the Smithsonian Institution's Museum on Main Street exhibit, *"AZ Water/Ways,"* hosted by the Black Canyon Heritage Park, December 14, 2019 through January 26, 2020 at the Cañon Elementary School in Black Canyon City. The *"Water, Black Canyon City & Me"* program is made possible by a grant from the Arizona Humanities.
