On Sunday, October 20 beginning at 1:30 PM, enjoy an afternoon free performance by ProMusica Arizona, a leader in bringing live music to audiences in the Phoenix area since 2003. The concert will feature Women in Song and a mixed voice chamber ensemble providing a choral performance of American folk songs of the southwest and music thematically tied to *AZ Water/Ways*.

Additionally, the walls of the Black Canyon Community Health Center's lobby will be adorned with the 2017 *AZ Water/Ways* Black Canyon Heritage Park Contest winners along with specially selected entries from the upcoming November 22-23 "Art in the Canyon" plus two original paintings from Black Canyon City artist Gary Bennett.

*Water, Black Canyon City & Me* year-long local activities complement the Smithsonian Institution's Museum on Main Street exhibit, "*AZ Water/Ways*," hosted by the Black Canyon Heritage Park, December 14, 2019 through January 26, 2020 at the Cañon Elementary School in Black Canyon City. The *Water, Black Canyon City & Me* program is made possible by a grant from the Arizona Humanities.
