***AZ Water/Ways* K–12 School Group Visit Request Form**

Make the Smithsonian Institution *AZ Water/Ways* Exhibit at Canon School in Black Canyon City part of your school year! The co-host, Black Canyon Heritage Park (BCHP) is currently accepting appointment requests for guided tours or self-guided visits. **Tours and visits are free.** We welcome all school-age learners.

The exhibit is in Black Canyon City from December 14, 2019 through January 26, 2020. The attached Visit Request Form lists the dates and time available for scheduling visits. You should plan a minimum of one hour on site, and up to two hours if the group's interest is high.

We invite you to request a guided visit led by trained volunteers at a time selected by you or a self-guided visit during the regular Open to Public hours. **Please note that appointments are required for all school groups visiting the Exhibit.**

Guided-visit appointments can be made no less than two weeks in advance of the requested visit date and can be during the public open hours or specially arranged dates and times.

Self-guided visit appointments can be made no less than one week in advance and must occur during the hours that the exhibit is Open to Public.

A separate form must be submitted for each visit. We will do our best to accommodate your request(s); however, due to high volume, your visit is not confirmed until you have received a confirmation letter by email from the BCHP. You should receive your confirmation within 5 business days of submittal.

Before submitting your request, please consult your school's administration and calendar regarding bus maintenance days, testing days, school holidays, and half days. When selecting date and time preferences for your visit, please consider approximate travel time from your school, as well as any guidelines your school may have regarding school bus departure and return times.

AZ Water/Ways has been made possible in Arizona by Arizona Humanities and the Walton Sustainability Solutions Initiatives and School of Historical, Philosophical and Religious Studies at Arizona State University.
