

# Resources for COVID-19

To keep our friends and communities safe, we are taking the recommendations of the CDC and have temporarily our office to visitors. We should all consider the most up to date public health guidance. Here are some of our favorite site:

- [Yavapai County District 2](#)
- [Maricopa County on Coronavirus Disease](#)
- [Arizona Department of Health](#)
- [US Center for Disease Control](#)

## *April 7 - AZ Gives Day*

### What a (Big!) Difference a Day Makes

<https://www.azgives.org/BCHeritagePark>

**Arizona Gives Day** - The early donation period has begun! Don't wait until April 7 — give a donation now at <https://www.azgives.org/BCHeritagePark> and it'll count to Black Canyon Heritage Park. The first \$500.00 will be matched by the BCHP coalition committee.

This a special day for Arizonans to show their support for charities that add so much to the quality of our lives. We hope you will join our friends and open your hearts and wallets to support Black Canyon Heritage Park. Even though our park is currently closed due to COVID-19 concerns, we continue to incur expenses to maintain the park, develop educational programming, and support our Agua Fria Watershed program (see below).

**Note:** When you donate, please select the choice to help cover donation fees when you check out (optional).

## Water/Ways Continues

Thanks to our attendees, sponsors, and supporters of Smithsonian Water/Ways Exhibit and Events.

### What's next?

The Agua Fria Watershed Display remains a local resource at the [Agua Fria Watershed website](#).

When COVID-19 restrictions are lifted Yavapai County offices will host the display. We'll post the schedule on future emails as well as on our [webpage](#) and [facebook](#) pages.

# Upcoming Opportunities
