

# Resources for COVID-19

We want to assure you that we take the health and well-being of our community, volunteers, and visitors very seriously, so we have temporarily closed the visitor center and the Park.

Like you, we are closely monitoring the rapidly evolving situation of the Coronavirus (COVID-19) pandemic. We recommend following the guidelines of the Center for Disease Control (CDC), state and county health departments. Here are some of our favorite sites for up-to-date information:

- [Yavapai County District 2](#)
- [Maricopa County on Coronavirus Disease](#)
- [Arizona Department of Health](#)
- [US Center for Disease Control](#)

While we miss seeing you in our visitor center and park you can find us on our [facebook](#) and [website](#) pages to keep updated.

## ***May 5 - Giving Tuesday Support Black Canyon City Non-Profits***

#GivingTuesdayNow is a global day of giving and unity that will take place on Tuesday, May 5, 2020 as an emergency response to the unprecedented need caused by COVID-19.

A global threat like COVID-19 affects more than just those infected with the virus. Every person on the planet is touched in some way, and it presents an opportunity to come together as a global community.

Consider donating to any of these Black Canyon City (our community) non-profits.
