## Improvements

### Trail upgrade

Our trail has received a significant upgrade as dedicated volunteers have replaced the worn-out and damaged rope trail cables with sturdy stainless steel ones.

We extend our heartfelt appreciation to the [smallMatters Institute](#) for their generous financial support, which made this project possible.

Old frayed rope cables removed

New 3 row stainless steel cables installed. Funded in part by smallMatters Institute.

Additionally, we express our gratitude to the hardworking volunteers who devoted countless hours to complete this laborious task

### Flag Mounted on Pole in Front

Thanks to APS for stringing the rope through the pulley at the top of the pole in the front yard for our Visitor Center. Our dedicated volunteer, Charlie Beisel, had the brilliant idea to ask APS workers who were having a meal at our supporter's [Two Brothers Kitchen](#).

## Exciting News: More Improvements on the Way!

ARIZONA COMMUNITY  
FOUNDATION  
OF YAVAPAI COUNTY

We are thrilled to share the news that our "Promoting Environmental Stewardship through Education Displays" project has been awarded a grant from the Arizona Community Foundation of Yavapai County.

This grant will enable us to develop and fabricate captivating new displays for our upcoming Wildlife View Area.

## Creating Water-Efficient Landscapes in Arizona: A Sustainable Approach

Did you know that landscaping accounts for the largest use of potable water in Arizona? Surprisingly, up to 70 percent of residential water consumption is dedicated to outdoor usage. This staggering statistic emphasizes the need for sustainable practices and responsible water management in our landscapes.

[AZ Water Resources](#) has tips for planning, installing and maintaining beautiful, water-efficient landscapes.
