## Present - Birds & Butterflies

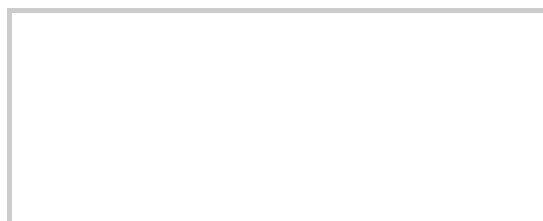

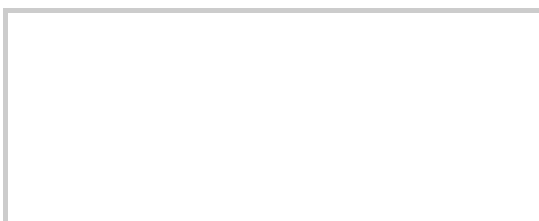

### Birds and Butterflies News

July and August are quiet at the Park - too hot and dry but there's still activity in the area.

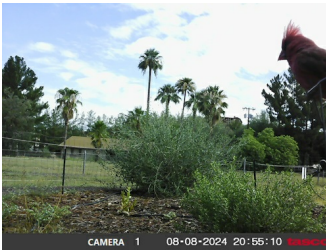

What birds were seen last August? **A lot!** 35 species. Harris Hawk and Vermilion Flycatcher are favorites. Check out [our e-bird site](#) for more bird sightings.

What butterflies might you see in August? Queens for sure but not much variety until the weather cools. You might see some Ceraunus Blue too. See [our e-butterfly site](#) for more.

## Past - Park Features Added and Improved

**Camera on the Gardens -** Our camera is monitoring the gardens and this cardinal also monitoring our garden this August.

**BCC Chamber of Commerce -** Not only do the Chamber volunteers open our park, they have lots of free information on Arizona places.

**BCC Beautification -** Our Visitor Center front yard is part of the Chamber of Commerce and Community Association's project to beautify Black Canyon City's main street.

### Have you noticed?

We are more than a nature preserve!! We are a community resource.

**Free Little Library -** Jim Dopler of Rotary of Anthem, our volunteers, and visitors regularly check the library and refill as needed. The library sits on our Visitor Center's front pad entrance and is open seven days a week, 24 hours a day. Anyone may take a book or share a book.
