Dear Ann,

Behind every riparian habitat restored, every student inspired, and every visitor enriched, there's a team of passionate individuals who pour their hearts into Black Canyon Heritage Park. Today, we want to introduce you to a few of these dedicated stewards.

Bob Cothorn, Chair

Bob is Chair of the BCHP coalition and primary park maintenance lead since it's inception in 2006. *"I've been deeply committed to collaborating with our community and wildlife preservation experts to transform this park into a premier sanctuary for both nature and education."* he explains. *"We've worked tirelessly to celebrate our rich natural heritage and foster a connection between people and the environment."*

Ann Hutchinson, Co-Chair

With a background in training and a lifelong love for Arizona's landscapes, Ann has been part of the BCHP management coalition since 2008. *"Every day, I'm inspired by the resilience and beauty of this rare riparian ecosystem,"* she says. *"It's an honor to work alongside our volunteers and supporters to protect it for generations to come."*
