Successful Year End Appeal

Year-End Appeal: A Resounding Success!

We are thrilled to share the outcomes of our year-end appeal. We raised an impressive \$6,535.93! This total includes:

- \$3,000 in matching grants generously contributed by AZ Metals Corporation and members of the BCHP Coalition.
- \$3,595.93 from heartfelt contributions by special donors.

Thanks to your support, we:

- Highlighted our most pressing projects to ensure the park continues to thrive.
- Received a beautiful design for a waterfall feature, courtesy of our talented volunteer Ambur. We can now begin planning its implementation.
- Secured the necessary funds to upgrade the park's perimeter fencing along the river side. This is a vital effort to protect fragile ecosystems and species that inhabit them.

Looking Ahead: Opportunities to Get Involved

As we move into the forward, we need:

- **Volunteers** to assist with fencing updates and other key projects.
- Assistance in identify and apply for grants to expand our programs and enhance visitor experiences.

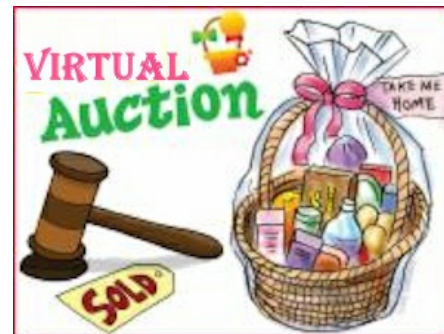

**Together, we're creating a space for discovery, stewardship, and natural beauty.
Thank you for being an integral part of our mission!**
