Black Canyon City Heritage Days

March 15 ONLY - Black Canyon Heritage Park, Black Canyon City Chamber of Commerce and ASU invite you to visit us at [Squaw Peak Realty's](#) parking lot for interactive exhibits and games.

Come learn about all we do.

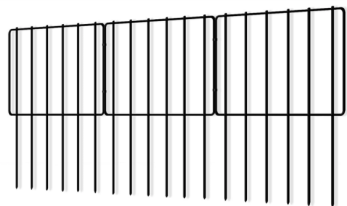

The **ASU leads for the WaterSIMmersive Project** (watersimmersive.net) will have information on their exhibit plan that focuses on Black Canyon City water. While visiting them, you can earn \$10 by answering a couple of questions if you are a BCC resident or business.

Don't miss this chance to celebrate, connect, and explore—see you there!

Black Canyon Heritage Park Fencing Progress

Fencing material has been purchased and we are ready to install the "No Dig Dog Fence". This will help dog proof the east side along the river. Dogs can cause problems for wildlife and habitats - particularly ground nesting birds. Additionally, the scent left behind by dogs can signal the presence of a predator, disrupting or altering the behavior of park wildlife. Funds were provided by donors of our 2024 Year End Appeal (**thank you**).

We have applied for a grant to upgrade the southern perimeter fencing along the Agua Fria river to prevent cows from entering the preserve.

This will reduce streambank erosion and protect our riparian plants and wildlife.

If granted, we use donor funds and volunteers to complete the project. [Email us if you can help.](#)
